# ISPP Program

- University of Hawaii Didactic Program in Dietetics  
Director, Professor Anne Caprio Shovic was successful in establishing an Individualized Supervised Practice Pathway (ISPP).
- The ISPP program became a reality in 2013 under the direction of Ann Ditzler.
- The program provides students with the supervised practice experience to fulfill competencies for becoming a registered dietitian.
- The program will have its first cohort of graduates ready to sit for the CDR RD exam this summer of 2014.
