

First Lady Dawn Ige  
to visit Castle Medical Center  
Tuesday, Oct. 27, 11 a.m.  
Front Lawn

---

*Mrs. Ige will be honoring CMC as the first hospital to implement the Department of Health's "Choose Healthy Now" program, a food and drink labeling system that helps consumers make healthy choices. Her visit highlights week-long National Food Day activities at CMC presented in partnership with the Department of Health and the Hawaii Dietetic Association.*
