**May 6, 2016, 7:00 a.m. - 3:00 p.m.**  
**Pomaikai Ballrooms – Honolulu, HI**  
**Sponsor & Vendor Prospectus**

**About Us**

The Hawaii Academy of Nutrition and Dietetics, a state affiliate of the national Academy of Nutrition and Dietetics, celebrates its 77<sup>th</sup> anniversary of providing Nutrition and Dietetic services in Hawaii in 2016. As a non-profit voluntary professional organization with over 300 Registered Dietitians, Nutritionists, Dietetic Technicians, dietetic interns and students, HAND is dedicated to supporting the roles of its members in the delivery and promotion of nutrition and healthy eating in Hawaii. Members work in a variety of arenas including medical and health care centers, schools, colleges and universities, research facilities, public health and other community agencies, health and fitness centers, supermarkets, media, private practice, and as entrepreneurs.

**About Our Spring Conference and Exhibits**

This annual event is the marquee conference for Academy of Nutrition and Dietetics members in Hawaii, drawing nearly half of its total membership. Sponsors and vendors, often close working partners and professional associates in the community, are welcomed to join in on the conference activities.

Our 2016 Food & Nutrition Exhibits will be held at the Pomaikai Ballrooms in Honolulu, HI from 7:00 a.m. – 3:00 p.m. This exhibition provides members the opportunity to network with vendors and learn about new food and nutrition products and innovations available on the market.

HAND conference attendees will be given time during the day to attend the Exhibits. In addition, healthcare and food service associates and colleagues will be invited to view the Exhibits throughout the day. Sponsors and vendors may also extend invitations to their clients to attend the exhibits as well.

**Any Questions?**

Please contact Alyssa Anzai at 808-203-0495 or [aanzai@hawaii.edu](mailto:aanzai@hawaii.edu) for more information.
